

“Be courageous; be strong. Do everything in love”.

14th September 2023

Dear Parents and Carers,

I would like to thank you for your support this morning with the new arrangements for the start and end of the school day. It appears to have gone smoothly and I thank you all for your support and co-operation.

I would like to reassure you that the safety of all pupils is paramount to us and this new routine is purely to ensure that this is the case.

There will be a member of staff on each playground from 8.40am and children will be encouraged to line up ready to enter the school at 8.45am. If you have a younger child in school, please drop off and pick them up first, this will allow sufficient time to then drop off any older siblings into KS2. There will be a member of staff on KS1 to supervise the lines of children prior to going into class and to see children into the school building if their class has already gone in. There will also be a member of staff on KS2 to see children into the building if their class has already gone in.

We will ensure that all class teachers stay with pupils at the end of the school day until all have safely been handed over.

Kind regards.

Laura Oakes
Headteacher
